HomeSphere[®]
 **The Building Universe**

MAXIMIZE YOUR REBATE POTENTIAL

HomeSphere provides builders with immediate access to key contacts at some of the largest national building product brands. For HomeSphere builders, exclusive rebate opportunities are bundled together in a single check.

HOW IT WORKS

CONNECT

Choose from 80+ Preferred Partner brands across 23 product categories to earn rebate points. Continue to purchase products locally.

TRACK

HomeSphere's BRI application and your local sales rep will help you efficiently track your closings by community, lot and block.

COLLECT

HomeSphere converts your rebate points to dollars and bundles your rebates together across all products and brands in a single check.

GETTING STARTED WITH BRI

ONLINE BUILDER ENROLLMENT

To enroll in BRI, please begin the process by visiting homesphere.com/brienrollment. After you complete this step, HomeSphere will contact you to finalize your online BRI Enrollment Agreement, which includes:

▶ BRI BUILDER PROFILE

The BRI Builder Profile is used to determine the rebates you are eligible to receive and identifies additional rebate opportunities. This information serves as validation of product usage for our manufacturing partners.

▶ BRI BUILDER ENROLLMENT FORM

The BRI Builder Enrollment Form indicates the terms and conditions of your BRI enrollment as well as the name of the person or department in your organization who should receive the rebate checks from HomeSphere.

▶ W-9 IRS FORM

The W-9 IRS Form is an IRS required document and will be filed at our Lakewood, Colorado headquarters.

Upon completing your online BRI Enrollment Agreement, HomeSphere will provide a link for you to review, confirm and sign the BRI Enrollment Agreement via electronic signature. Our online signature system will guide you through this simple process.

Visit homesphere.com/brienrollment or contact your Regional Sales Manager today for more information and to start the enrollment process.

"To claim rebates we fill out one form every quarter that takes only minutes, and with no questions asked we receive one rebate check in the mail. If you're a builder and you're not on the BRI Program, get on board."
