

Once you're set up in My HomeSphere® Direct, tracking your direct rebates and predicting payout is organized and always a simple login away. Upload your closings in one click, and track when your direct invoice has been approved and a check is on your way. Then, when your contract is set to expire, be the first to be alerted.

My HomeSphere Direct takes the guesswork out of your earnings and can be used in conjunction with your existing HomeSphere rebate program.

Know when your direct rebates are on their way.

Submit Closings for Direct Rebates

Direct Rebates Closing File Upload
Are you ready to upload your closings?

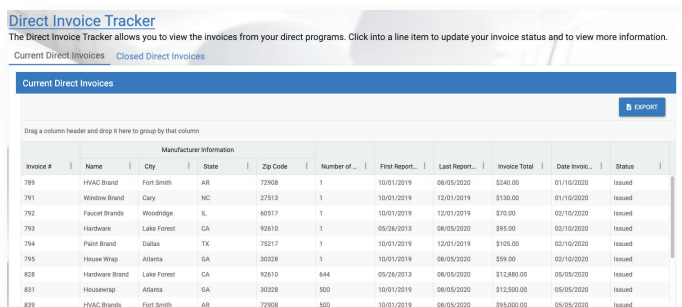

Drag and drop your file anywhere on the File Upload box below, or use the Select File to Upload button to locate and upload the file. Please specify the manufacturers with whom you have direct contracts in this closing file, then enter the number of closings, and click Upload.

Select File to Upload

Maximum file size is 30 MB per submission. Need a Closings Template? [Click here to download](#)

Upload your direct closings with one click.

Upload your direct closings in 60 seconds or less. We'll then match your details with the requirements of your contract, let you know if there are any discrepancies and prepare an invoice when everything checks out.

Direct Invoice Tracker
The Direct Invoice Tracker allows you to view the invoices from your direct programs. Click into a line item to update your invoice status and to view more information.
