

Quartz

SELECTIONS

The Wilsonart® Quartz Collection.

Serenity. Set in stone.

A stylish, sleek, and strong surface with performance features that make this one of the most popular surface materials on the market today. Wilsonart® Quartz meets industry standards, including UL GREENGUARD Gold for indoor air quality, and NSF International and Kosher compliances for safe surfaces for food preparation.

COUNTERTOP | GALERA Q3014

Engineered surfaces. Inspired by nature.

At Wilsonart, we are inspired by the world around us. We take the very best of nature — its colors, its shapes, its textures — and then we develop beautiful, innovative engineered surfaces designed to outperform nature while having minimal impact on our planet.

BENEFITS OF QUARTZ

ON-TREND AND IN STYLE

Beautiful designs for every room of the house.

EASY-TO-MAINTAIN

Simple cleanup with soap and water provides easy, care-free maintenance. Non-porous and non-absorbent surfaces inhibit the growth of mold and bacteria.

DURABLE

Highly resistant to abrasions and scratches for long-lasting beauty.

ECO-FRIENDLY

Wilsonart® Quartz has achieved UL GREENGUARD Gold Certification for low chemical emissions.

VANITY TOP | LORRAINE Q1012

Versatile and resilient surfaces.

This elegant and resilient material creates a sense of calm and comfort while standing up to daily use. Inspired by nature and designed to perform, Wilsonart's Quartz designs provide a thoughtful framework to develop your own narrative—your own personal reprieve—meeting a growing demand for a connection to nature, mindfulness, and wellness.
