We Put More
Thought Into It,
So You Get
More Out of It

Each American Standard product is designed to be easy to use and easy to install, providing you with years of worry-free performance and lasting beauty. Here are just a few of the ways we make that happen.

FEATURES AND BENEFITS

FAUCETS

ANTI SCALD

Adjustable hot limit safety stop prevents scalding by limiting hot water temperature and protects against sudden temperature changes.

LIMITED LIFETIME WARRANTY

Our products are designed to live longer in one place than you do. But in case you're in need of a replacement or repair, your American Standard product comes with a limited lifetime warranty on finish and function.

LIFETIME FINISHES

American Standard offers a myriad of fine finishes all guaranteed to last a lifetime.

DRIP-FREE CERAMIC DISC VALVES

Our ceramic disc valves—made from the second-hardest material next to diamonds—are maintenance-free and provide a lifetime of smooth handle control, even in extreme temperatures or hard water conditions.

PRESSURE-BALANCING
VALVE CARTRIDGE

Features volume control and integral Hot Limit Safety Stop.

TEMPERATURE MEMORY POSITION

Our single handle faucets features Temperature Memory Technology, so that you can turn your faucet on and off at the same temperature setting every time.

SINKS

RIGHT HEIGHT

Ergonomically designed sinks that eliminate undue stress and strain and provide added comfort when used.

TOILETS

POWERWASH®

Water travels 360 degrees around bowl rim and disperses evenly to clean bowl from top to bottom after each use.

EVERCLEAN®

Antimicrobial surface inhibits growth of stain- and odor-causing bacteria, mold and mildew. Surface is also 2X smoother to prevent sticking and staining.

LIMITED LIFETIME WARRANTY

Our products are designed to provide years of worry-free performance. But in case you're in need of a replacement or repair, your American Standard product comes with a five-year mechanical warranty.

CHAIR HEIGHT

Ergonomically designed toilets that eliminate undue stress and strain and provide added comfort when used.

COMPLIANCE

EPA WATERSENSE CERTIFIED

WaterSense certified products help to reduce water consumption and monthly utility costs. Best of all, they help protect our world's vital resources for future generations.

LEAD-FREE

Through our innovative brass alloy formulation, all of our sink faucets are certified lead-free*, while maintaining our quality, performance and unmatched style.

*As defined under applicable federal and state laws.

ADA COMPLIANT

Meets Americans with Disabilities Act and ANSI A117.1 requirements.
