Clean, Contemporary & Customizable,
Just For You

Whether a petite powder room or grand master bath, Studio® S offers a variety of design options to refresh your space and rejuvenate your spirit.

Va-Va-Voom Vanities

Customize A Vanity... Or Two

Modular versatility allows you to choose the components that fit the space, fulfill the functions and achieve your vision, exactly.

Designed With You In Mind

Minimalist style features two drawers for convenient storage, and can be mounted directly to the wall for a free-floating effect or supported by sleek metal legs.

Sensational Sinks

Rounded Corners And Gentle Curves Convey Harmony

Smooth, glossy vitreous china is enhanced by the flowing lines of each design, adding an element of welcome serenity.

A Soothing Soak

Smooth Oval Design Invites You To Relax

Visually beautiful and beneficial to well-being, this gently curved tub promises deep, soaking comfort and a welcome escape from the everyday.

A Cool Commode

Smooth Sides Offer A Clean, Minimalist Look

Contemporary one-piece and two-piece toilets are defined by smooth sides designed to beautify your space.

Fab Faucets

Lasting Beauty & Performance Guaranteed

Designed to complement the **Studio® S Suite**, this collection of faucets for sinks, tubs and showers is engineered for lasting beauty and dependability.
