

Timberline® UHDZ™ Shingles Enhanced Warranty Advantages

Protect your home with our Golden Pledge® Limited Warranty¹

The Golden Pledge® Limited Warranty increases the 100% coverage period against manufacturing defects from 10 years to 50 years⁷. It also covers tear-off and disposal costs.

Best of all, when registered for a roof with Timberline® UHDZ™ Shingles, it provides 30 years of workmanship coverage⁴ against errors in the application of your

GAF Shingles and Accessories and Covered Flashings that might have been made during the original installation of your roof. Workmanship coverage is an important differentiator when choosing a residential roof warranty. Standard product warranties often include the labor required to repair or replace a covered component due to manufacturing defect, but don't cover misapplication.

Every GAF Master Elite® Contractor is insured, licensed (in states where required), has good credit, and is in good standing with the Better Business Bureau.

Only a GAF Master Elite® contractor can offer the Golden Pledge® Limited Warranty.⁶
