Incentives for Multifamily Builders Only on HomeSphere Program*

Effective for select purchases made at Beacon starting on August 1, 2024.

On the Following Product Categories Only

Roofing, Siding, Windows and Skylights

How to Get Cash Back through HomeSphere

Builder or subcontractor needs to tell the Beacon salesperson that the materials are being purchased for a HomeSphere builder, builder name and also specify the project name.

Get Cash Back on Beacon Purchases Before the Project Closes

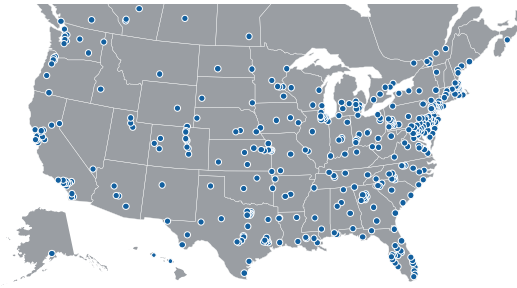

Beacon reports sales where a HomeSphere builder was indicated and HomeSphere will process those qualifying orders on a regular basis.

** Incentives and rebate availability depend on builder's products used, type of construction, and other factors. Restrictions may apply. Contact us for more details.*

Some brands sold through Beacon Building Products also allow additional earnings in the form of rebates to be claimed through the HomeSphere Rebate Program in addition to earnings through Beacon with HomeSphere. Inquire for details.
